Our school culture aims for all staff and volunteers (in addition to parents/carers and children) to feel confident and comfortable in coming forward with any allegations or suspicions of child abuse or child safety concerns. We train our staff and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse. This training occurs annually or more often as required. This occurs at staff meetings, in House Leaders meetings and through the induction process.

We also support our staff and volunteers through ongoing supervision to develop their skills to protect children from abuse, to promote the cultural safety of Aboriginal and Torres Strait Islander children and children from linguistically and/or diverse backgrounds, and the safety of children with a disability and vulnerable children.

New employees and volunteers will be inducted into the school, including by being referred to the Child Safety Policy (this document), the Child Safety Code of Conduct, and the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures on the TEAMS/Compass. Childsafe requirements and the policy are also included in the following induction booklets, New Staff, CRT and Pre Service Teachers.

They will also be supervised regularly to ensure they understand our school's commitment to child safety, and that their behaviour towards children is safe and appropriate. All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal or Assistant Principal or Student Wellbeing Coordinator and will be managed in accordance with Mooroolbark College's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures [available on TEAMS] where required.
